Your Support Can Make a Huge Difference.

Every family and child that comes to Ronald McDonald House Charities of the Ozarks has a story, and no two stories are the same. To families, the Ronald McDonald House® provides a refuge. These are families whose seriously ill or injured children are facing trials no child should have to face. To children, the Ronald McDonald House® Care Mobile® (fondly known as the Tooth Truck™) provides healthy smiles and a restored self-confidence that cannot be contained.

Your generosity allows our families and children to continue entering the threshold of the Ronald McDonald House, or step up to the Tooth Truck and feel relieved, sheltered, and cared for.

We all follow a different path in life, but together we can keep the Ronald McDonald House Programs open for families who need to be close to their seriously ill or injured children and the Tooth Truck on the road for children to be a short walk away from cavity-free smiles. Thank you for putting yourself in the shoes of these families and children. Thank you for helping provide hope to those who need it most.

Every year, Ronald McDonald House Charities helps children and their families right here in the Ozarks.

ADOPT A FAMILY

Tonight, you have the opportunity to support the children and families who directly benefit from the Tooth Truck and our Ronald McDonald House Programs.

Here's what your support can mean to our families:

\$2,500 will underwrite 20 days at the Ronald McDonald House for a family, the average length of time our families with babies in the NICU stay at the Houses.

\$1,000 ensures for an entire year that all families of hospitalized children learn about the Ronald McDonald House with a personal visit through our Happy Wheels Program, also delivering necessity items and fun activities.

\$500 underwrites the Tooth Truck's average cost for 4 dental appointments, providing kids with bright, shiny smiles and increased self-esteem.

\$250 covers a month's worth of expenses for our Family Fund, giving help to families with urgent needs such as gas, prescriptions and clothing.

\$100 provides Tooth Truck supply bags including a toothbrush, toothpaste, floss, brushing timer, and instructional cling/card for nearly 60 patients.

\$50 helps contribute gifts and supplies for families who will be away from their own homes and staying at our Ronald McDonald House Programs during the upcoming holiday season.

Enter To Win! Heads Or Tails

Play Heads or Tails for your chance to win a Two-night Stay at the Hilton Branson Convention Center Hotel next to Branson Landing, Dinner for two at the College of the Ozarks Keeter Center, two 2026 Silver Dollar City Day Passes, and ten free ride passes for any Tracks Family Fun Parks activities.

We are grateful to these businesses for their generous donations to this package.
